The 20 Best New Buildings In Los Angeles

This week, the [Los Angeles Architectural Awards](#) honored over 30 new Los Angeles buildings on their architectural merit, civic engagement and environmental sustainability.

Here are 20 projects from the L.A. Architectural Awards, including the Grand Prize winner, the **Los Angeles Police Administration Building**, a joint venture between AECOM and Roth Sheppard Associates.

FROM THE EDITOR

Thanks for stopping by *Fast Company's Co.Design*. Here, we try to bridge the fuzzy border between design and business. We started this site with a few simple premises in mind. First, design is a window onto the world at large, and the culture we live in. When a designer sets down to make something new, she can't help but have some idea about how some object could be so much better than ever before...[read more](#)
